Child's Name: \_\_\_\_\_

Parent's Name(s): \_\_\_\_\_

Child's School: \_\_\_\_\_

Primary Method of Transportation:   I.S. Bus  

Effective Dates: 2006 School Year \_\_\_\_\_

I, the undersigned, authorize Imagination LLC, operating as Imagination Station, to transport my child between Imagination Station and the elementary school I have designated above. I have read and been told about the procedures which have been put in place regarding the safe transportation of my child and I agree to comply with them in their entirety. I understand that any infraction of these policies puts the safety of my child and that of other children at risk and that because of this, there will be a \$50.00 penalty added to my bill that will be my responsibility to pay when picking my child up that day. Any family with more than three violations during the school year will be asked to find alternate care for their children. As a gentle reminder, for an optimal day of learning to take place, your child needs to eat breakfast every day. Please be sure to send your child prepared with all materials they will need. This includes lunch arrangements and items such as boots, mittens and snow pants when necessary, etc.

Our transportation policies are as follows:

- Any child needing to eat breakfast at I.S. will arrive there no later than 8am.
- Any child not eating with us will arrive at or before 8:15am.
- Children will meet at the place designated by the drivers for their school for pick-up each day within five minutes of the bell ringing.
- The parent is responsible for communicating with I.S. before 2pm if alternate transportation arrangements have been made and the child(ren) will not need to be picked up for the day. (ex: child has an appointment and leaves early, I will call I.S. so that they are not looking for my child for pick up from school.)
- A child who is too sick to attend school for the day is also too sick to attend I.S. for the day.
